(www.MRMUG.org)

note the date change! → **TUESDAY April 23, 2013** ← note the date change!

Meeting begins at **12:00 noon** (South Bend Time) lunch will be served during meeting

MEETING PLACE - CIBER Innovation and Technology center

Topic – **Big Data**

Topic:

The topic for this month's meeting is '**Big Data**'. Dan Simchuk, one of IBM's foremost technical leaders and the primary resource for channel enablement for IBM Big Data and Pure Data for Analytics, will bring to us the latest information about business intelligence, data warehousing, parallel processing technologies for managing data at rest and data in motion.

Current industry trends will be discussed, as well as the IBM technologies that can be applied to the broad range of 'big data' challenges that are facing organizations that range in size from medium to large.

Find out why big data matters to you and how you may using it now and don't even know it!

Presenter:

Dan Simchuk, IBM - Dan has over 40 years of experience in high technology and has been involved for the past 16 years with IBM database and data warehouse products. He is currently working with North American IBM Business partners who are focusing on Analytics and Big Data.

Lunch will be provided

Menu – LUNCH is being furnished by Ciber
