

MICHIANA MID-RANGE USERS' GROUP

(www.MRMUG.org)

Thursday May 13, 2010

Meeting begins at **8:30** (South Bend Time); **Breakfast** will be furnished by CIBER.

Topic:

The topic for the Thursday May 13th, 2010 BREAKFAST meeting is Enterprise Content Management:

The speaker is Kent Sipe, Regional Sales Manager from Advanced Processing and Imaging (API). See attachment for his Biography. Key Points from his presentation are:

What's the latest in Document Imaging, Management and workflow solutions for the iSeries?

How important is integration with existing iSeries and other applications?

How good is technologies like full-text OCR and Forms processing?

What is Records Management and why is that important?

How and where do you get started if not already?

Can and should we scan all of our old files?

Meeting Location

CIBER

4100 Edison Lakes Parkway - Suite 240
Mishawaka, IN 45645

Please let one of the Board members know if you would like to be on the Board of Directors.

All members who register BEFORE noon on Wednesday will be entered into a drawing to be held at the end of the meeting for a \$10 door prize!

(must be present to win)

NOTE: MRMUG is now a member of Common. Annual dues of \$50.00 help cover the cost of MRMUG's membership.

iSociety is a community of websites, chatrooms, blogs, organizations, individuals and businesses that use the System i; it includes small and large users groups, news organizations, forums and students. <http://isociety.common.org/>

We need speakers and ideas for our meetings. If you know someone who will speak to our group, contact any of the board members. This organization is about sharing knowledge; forward this newsletter to anyone you think is interested in computer related topics.

Please register on the MrMug website (<http://www.MRMUG.org>), call or e-mail Kathy Rogina with your reservations BEFORE noon on Wednesday, May 12, 2010.
