

MID-RANGE MICHIANA USER'S GROUP

(www.MRMUG.org)

Tuesday May 19, 2015

AND

Thursday May 21, 2015

Meetings begin at **12:00 noon EST** (South Bend Time). Lunch will be provided.

There will be TWO presentations this month!

This year we plan to have two presentations each month on the third Tuesday and third Thursday of the month. The Thursday presentations will remain mostly IBM i orientated and the Tuesday presentations will focus more on Intel based systems and software, networking, data collections, etc. So please join us as we expand!

Both meetings will be held at:

CIBER Innovation and Technology Center

4100 Edison Lakes Parkway

Suite 240

Mishawaka, IN 46545

Lunch will be provided at each meeting!

Please send an email to Vicki Pawloski (vpawloski@ciber.com) to register for the meeting before noon on the day before the meeting. **Include the dates you are going to attend and the names of the people you are registering.**

Tuesday May 19, 2015 at Noon:

Topic – Software Defined Storage

An introduction to the concept of, and solutions surrounding Software Defined Storage.

New era cloud environments and applications such as analytics, mobile and social are driving huge growth in data volumes, making data the new natural resource. But cost-effectively optimizing your current storage environments while at the same time exploiting new opportunities is straining storage budgets.

Enter - Software Defined Storage. SDS has the potential to bring value to end-users but the term itself represents not one solution but many different approaches. SDS manages data, provides quick access, utilizes virtualization and scales to cloud and on-premise infrastructure. It can reduce the cost and complexity of flexibly delivering agile, reliable and intelligent storage services to the business.

Thursday May 21, 2015 at Noon:

Topic – IBM Power Systems Announcements

An update on Power Systems (Power8) and recent announcements.

Even Hollander from IBM will present the latest IBM Power System announcements.
