

MICHIANA MID-RANGE USERS' GROUP

(www.MRMUG.org)

Thursday November 11, 2010

Meeting begins at 12:00(South Bend Time); Lunch will be furnished by CIBER.

Topic:

IBM SYSTEMS DIRECTOR

IBM Systems Director provides systems management personnel with a **single-point-of-control**, helping **reduce IT management complexity and cost**. With IBM Systems Director IT personnel are able to optimize computer and network resources, quickly respond to business requirements with greater delivery flexibility, and attain higher levels of services management with streamlined management of physical, virtual, storage and network resources.

Presented by:

Doug Herman from IBM

Doug has 28 years with IBM. He is currently a Power Systems Technical Sales Specialist working in southeast Michigan. Besides supporting Power Systems he is also the Region Designated Specialist for IBM System Director.

Meeting Location

CIBER

4100 Edison Lakes Parkway - Suite 240
Mishawaka, IN 45645

Please let one of the Board members know if you would like to be on the Board of Directors.

All members who register BEFORE noon on Wednesday will be entered into a drawing to be held at the end of the meeting for a \$10 door prize!

(must be present to win)

NOTE: MRMUG is now a member of Common. Annual dues of \$50.00 help cover the cost of MRMUG's membership.

iSociety is a community of websites, chatrooms, blogs, organizations, individuals and businesses that use the System i; it includes small and large users groups, news organizations, forums and students. <http://isociety.common.org/>

We need speakers and ideas for our meetings. If you know someone who will speak to our group, contact any of the board members. This organization is about sharing knowledge; forward this newsletter to anyone you think is interested in computer related topics.

Please register on the MrMug website (<http://www.MRMUG.org>), call or e-mail Kathy Rogina with your reservations BEFORE noon on Wednesday, November 10, 2010.
