

MID-RANGE MICHIANA USER'S GROUP

(www.MRMUG.org)

Thursday October 16, 2014

Meeting begins at **12:00 noon EST** (South Bend Time). Lunch will provided.

Topic – RPG with Excel

Rob Berendt from Group Dekko, Kendallville, IN. will be speaking on RPG with Excel.

Rob is a Systems Analyst for Group Dekko. During his 25+ years there, he has been involved in several areas including programming, security, Domino, EDI, Mimix, and more.

He has installed and upgraded numerous systems throughout the years from 1.2 all the way to 7.1. Currently he administers multiple Ipars of i spread across three Power 8 servers and maintains the Domino servers served on i.

He also provides other technical advice as needed. He is on the board of STATUS as parliamentarian. STATUS is the IBM User Group located in Fort Wayne, Indiana.

Note that in November our topic is PHP on IBM i including PHP and RPG integration, so plan to attend both meetings to get some good information about ROG integration with Excel and PHP!

Lunch will be provided

Please [register](#) for the meeting before noon on Wednesday October 15, 2014.

We are having some trouble with our registration form, so please send your reservation to Vicki Pawloski at vpawloski@ciber.com

Still running on V5R4? READ THIS!

If you are still running on IBM i version 5.4, you need to strongly consider upgrading to V7R1!

As we discussed at the March 21, 2013 MRMUG meeting, support for V5R4 ended on September 30, 2013.

If you are still running on V5R4, you can purchase Service Extension for V5R4 for basic usage and problem rediscovery support. Software Maintenance is a REQUIRED prerequisite for Service Extension.

Service Extension for V5R4 ends September 30, 2016.

IBM i V7R2 is now available

IBM i OS Version 7 Release 2 was announced on April 28, 2014 and available on May 2, 2014.

Version 7 Release 1 was announced April 13, 2010 – that's over four years ago!

You should consider upgrading to Version 7, if you haven't already done so. Upgrading to Version 7 will help ensure that you will be able to take advantage of the newer processors and IO enhancements, performance, and security enhancements.

Meeting Location

CIBER Innovation and Technology Center
4100 Edison Lakes Parkway
Suite 240
Mishawaka, IN 46545

Please register for the meeting

(Please register by noon on the day before the meeting) at
