

MICHIANA MID-RANGE USERS' GROUP

(www.MRMUG.org)

Thursday September 9, 2010

Meeting begins at 12:00(South Bend Time); Lunch will be furnished by CIBER.

Topic:

The topic for the Thursday September 9th, 2010 meeting is IBM POWER7 Update and Announcement.

Come to the meeting and find out about the latest IBM POWER7 servers and revisit the complete POWER7 server lineup.

Learn about the new features available with the POWER7, the upgrade paths, (and the limitations for bringing across older technology features).

On August 18th, IBM completed the POWER7 systems lineup with the announcement of the high-end 795 and the Power Systems Express servers. There are now more models than ever. Let's explore them and see which model fits your needs.

Presented by Craig Nelson – Senior Solutions Architect

Craig is the current President of MR Mug. He is a senior Solution Architect with CIBER supporting IBM POWER Systems.

Meeting Location

CIBER

4100 Edison Lakes Parkway - Suite 240
Mishawaka, IN 45645

Please let one of the Board members know if you would like to be on the Board of Directors.

All members who register BEFORE noon on Wednesday will be entered into a drawing to be held at the end of the meeting for a \$10 door prize!

(must be present to win)

NOTE: MRMUG is now a member of Common. Annual dues of \$50.00 help cover the cost of MRMUG's membership.

iSociety is a community of websites, chatrooms, blogs, organizations, individuals and businesses that use the System i; it includes small and large users groups, news organizations, forums and students. <http://isociety.common.org/>

We need speakers and ideas for our meetings. If you know someone who will speak to our group, contact any of the board members. This organization is about sharing knowledge; forward this newsletter to anyone you think is interested in computer related topics.

Please register on the MrMug website (<http://www.MRMUG.org>), call or e-mail Kathy Rogina with your reservations BEFORE noon on Wednesday, September 8, 2010.
