

HAVE YOU EVER HEARD OF **MRMUG?**

MRMUG - Michiana's System I Users Group (Mid-Range Michiana Users Group)
MRMUG - A great way to get System I updates, technology trends, IT information
MRMUG - A great way to network with your peers.
MRMUG - A link to COMMON

WHY AREN'T YOU A MEMBER?

I didn't know there was a **MRMUG** group?
New System I and data center information is not important to me?
I don't like social gatherings.

We'd like to introduce you to **MRMUG**. We are a mid-range users group, focusing on the System I, but also expanding our subject base to be more data center centric because our members asked for it.

MRMUG meets on the 2nd Thursday of the month for a lunch meeting for presentations and round table discussions that are pertinent to you and your job. Memberships are available for Corporations for \$50.00/year and for individuals for \$20.00/year.

WHAT DOES THIS GET ME?

CORPORATE MEMBERSHIP - anyone within your corporation can attend meetings and get's you linked in through our **MRMUG** membership to COMMON.

INDIVIDUAL MEMBERSHIP - just for you, to keep things fresh, to allow you to network and gain valuable information that can help you in your current career or building towards your next endeavor. You also get linked in through our **MRMUG** membership to COMMON.

GREAT TOPICS - in the last year we have had some great topic brought to the membership to make you aware of new announcements, technology and data center centric topics.

Including:

- IBM System I announcements
- BlaceCenter integration to the System I - simplify your environment
- IBM Software Umbrella - what is new with the IBM software portfolio
- Tivoli - why do I need this?
- System I and high availability and capacity back-up unit
- Round table discussion on BRMS
- Round table discussion on keeping IFS clean
- Server orientated architecture

ANNUAL GOLF OUTING - we can't be about work all the time. Join us for a day of golf in June. We don't care how good or bad you are.

OTHER EVENTS - we work hard to make you aware of other IT events in northern Indiana and throughout the state so you can take advantage of the education.

I'D LIKE TO JOIN! HOW DO I?

Just send an email to one of our board members and we'll get you started.
